What Does TYH Merch Have to Do With Parshas Bamidbar?

We learn that every shevet had its own flag with its own special symbol.

The Midrash says that Bnei Yisrael saw that the malachim also had flags, and they said, "We want that too!"

They wanted to feel that they also had an important purpose from Hashem.

Have you heard Azzi on the podcast?

Azzi is a boy with muscular dystrophy who shared how he wishes he knew what it felt like to be able to put on your own tefillin.

After people heard his story, thousands of Yidden started putting on tefillin with more love and appreciation.

That became part of Azzi's special mission.

Every Jew has a "logo" — something special that Hashem gave only to them.

What's yours?

Maybe your mission is making people smile.

Maybe it's helping others.

Maybe it's spreading happiness and saying "Thank You Hashem!"

When you wear something meaningful, it can remind you: "I have a mission in this world." ❤️
