In case we haven't met before...

Hi! I'm Tara Reed and I've been creating art and design professionally since 2000.

Back in 7th grade (in the 80s!!) I learned to sew when my friend's mom taught us to make wrap-around skirts. From there we moved onto Bermuda Bag covers - button holes were a lot harder back then!

I design fabric for Riley Blake Designs and love everything about it. From creating the coordinating prints in repeat to seeing how YOU the end-user decides to take the fabrics and make something amazing.

If you are a Cricut, Silhouette or Scan 'N Cut creative as well as sewist or quilter I also design themed bundles for you too! Be sure to check out my online shops below.

If you make and post things that include my fabric I'd love to see!
Be sure to tag me on social media please
