

E.E. MERCANTILE AND CO.

We are very thankful that you shop small businesses.

We know very well that people who shop the BIG businesses can really stretch their dollars, getting lots of things, this time of year.

We think our things are so much more special than most of the big business things, but we want YOU to have the chance to stretch your dollars, too! Maybe that means you get to spread more magic and introduce more of your loved ones to the heartfelt work that the artisans we stock produce?

We appreciate you being a part of our conscious community and we hope you enjoy these savings and have a wonderful holiday season!

With Love & Gratitude,

⌘ E. E. Mercantile & Co.
