

THE LITTLE
BLACK & WHITE
BOOK PROJECT

Fold

HEDGEHOG

Hedgehogs hibernate in winter, sleeping through the coldest months.

They have over 5,000 spines on their back.

What other animals have spiky skin?

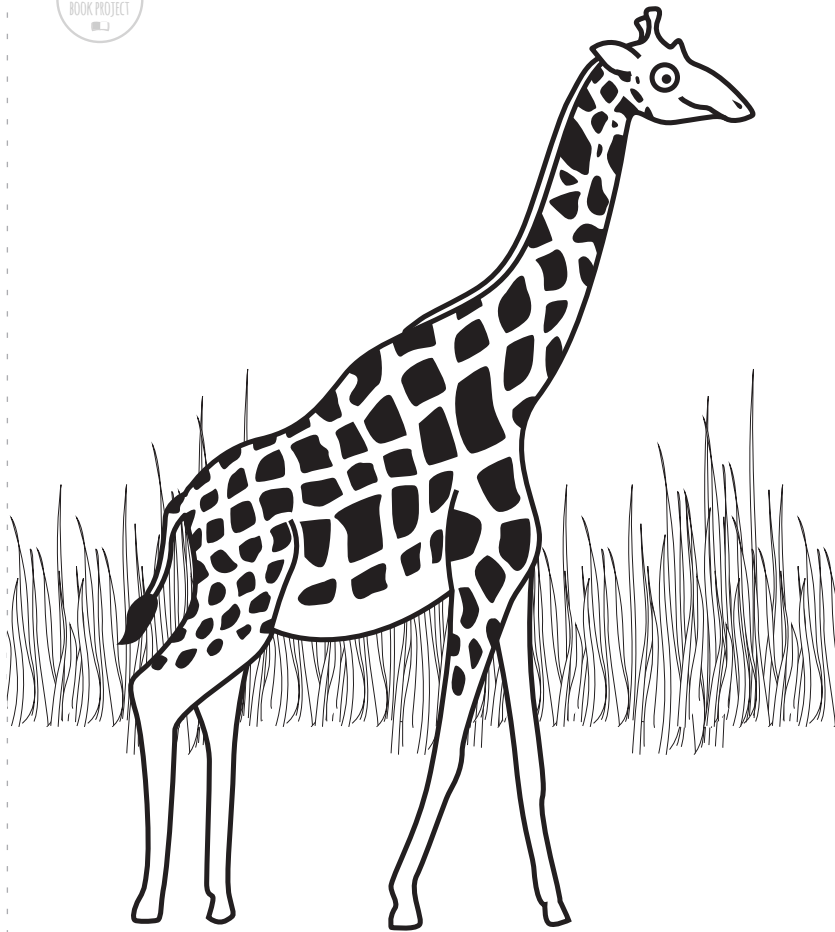

HOW TO MAKE

Cut around the outside of the cards, leaving them joined in the middle.
Fold along the middle line and stick the two sides together to form a single, double-sided card.

AND DON'T FORGET TO SHARE AND TAG US! #THEBWBPROJECT

GIRAFFE

A giraffe's neck has exactly the same number of bones as a human neck.

They are the tallest mammal on earth.

How tall are you?

HOW TO MAKE

Cut around the outside of the cards, leaving them joined in the middle.
Fold along the middle line and stick the two sides together to form a single, double-sided card.

MANTA RAY

Manta rays have the largest brain of any fish and are very intelligent.

They regularly visit 'cleaning stations' where tiny fish help to clean their skin.

How do you stay clean?

HOW TO MAKE

Cut around the outside of the cards, leaving them joined in the middle.
Fold along the middle line and stick the two sides together to form a single, double-sided card.

THE LITTLE
BLACK & WHITE
BOOK PROJECT

COCKATOO

A cockatoo's call can be heard
over a kilometre away.

The crest on top of every
cockatoo's head changes shape
depending on how it feels.

*How many different feelings
can you name?*

HOW TO MAKE

Cut around the outside of the cards, leaving them joined in the middle.
Fold along the middle line and stick the two sides together to form a single, double-sided card.

AND DON'T FORGET TO SHARE AND TAG US! #THEBWBPROJECT

ASIAN TAPIR

The black and white pattern on the tapir's coat helps keep them camouflaged in the forest.

They have poor eyesight so they use their amazing sense of smell to find their way around.

*Can you smell anything right now?
What is your favourite smell?*

HOW TO MAKE

Cut around the outside of the cards, leaving them joined in the middle.
Fold along the middle line and stick the two sides together to form a single, double-sided card.

AND DON'T FORGET TO SHARE AND TAG US! #THEBWBPROJECT

JAGUAR

The jaguar is the third biggest cat in the world after lions and tigers.

They are excellent swimmers and will hunt sea creatures.

Do you like to swim?

HOW TO MAKE

Cut around the outside of the cards, leaving them joined in the middle.
Fold along the middle line and stick the two sides together to form a single, double-sided card.
