CLASS POLICY

(the fine details)

Most classes are limited to eight students. Four students are needed to make a class. You will receive a full refund if we cancel a class. There are no makeup classes or refunds if you miss a class.

Register on-line at www.sewing.net, in person, or by phone with a credit card.

The following indicates sewing levels for adult classes:

*** Beginner—No experience needed. ** Intermediate—Some experience needed. *** Advanced—Experience needed.**

The supply list for each class needs to be purchased by the student prior to the first class session unless the supply list specifies otherwise. Students receive a 15% discount off your total purchase of regular priced items for class!

Sewing Basics 1: Beginner (Pssst: Start Here)

If you are ready to learn how to sew, but not sure where to start, this is the class for you! Maybe you have done some sewing in the past but want to refresh your skills, this is the class for you! You will learn sewing terminology, how to lay out a pattern, pinning, cutting, and the sewing of the garment. We will be making a pair of house/sleeping pants. Please note: All Sewing Basics series meet four times.

Software

Embrilliance 1: Essentials*

Tues 07/28 1:00-3:00pm SKU: 620615

Fee: \$18 Instructor: Fran Brown

This is a hands-on class for students that have purchased Embrilliance "Essentials" Software. Fran will teach you how to use the included tools to Merge, Resize, Colorize, and add Lettering to your embroidery designs. (This software is especially useful for students that own an embroidery machine with a 4X4 or 5X7 hoop size.)

Embrilliance 2: Enthusiast**

Tues 08/04 9:30-11:30am SKU: 620621

Instructor: Fran Brown Fee: \$18

This is a hands-on skill-building class for students that have Embrilliance "Enthusiast". Enthusiast is the next level of Embrilliance software that includes automated knockdown stitches, stitch editing, Multiple hooping/design splitting, Baste hoop, Instant repeat, Carousel, advanced stitch properties and more - all with easy-to-use tools. Don't know what any of that means? This is the class for you to get to know your software and what it can do for you.

Embrilliance 3: Creating Designs**

Fri 08/28 1:00-3:00pm SKU: 620632

Instructor: Fran Brown Fee: \$18

This is a hands-on skill building class working with Embrilliance Essentials and Enthusiast software. You will build some designs while honing your skills in Embrilliance by learning how to use the "easy-to-use tools" to edit, separate, change color, add lettering and knock down stitches and more. Each Creating Designs class will be a unique lesson, building upon the skills learned in Embrilliance 1 & 2.

Stitch Artist: Getting Started**

Thurs 09/03 1:00-3:00pm SKU: 620637

Fee: \$18 Instructor: Fran Brown

This is a hands-on class working with Embrilliance Essentials and Stitch Artist 1 software. Stitch Artist is a program to create machine embroidery designs from scratch and is a great starting point for design creators, or anyone wanting to add stitches to a project. Typical projects include: Redwork, quilting, stippling, applique, freestanding lace fills, basic cross-stitch, outlining, satin borders, filled shapes and adding stitches to designs. Draw your own, use the built-in shapes, or bring in a picture (such as .jpg), then 'draw with stitches' over the artwork, using it as a guide. You control the shapes, sizes, set the stitching properties, and Stitch Artist generates the actual stitches. Those familiar with any modern drawing tools will feel very comfortable with Stitch Artist, but the easy 'draw with points' tool makes creating shapes easy to learn.

Stitch Artist: Hands On**

Thurs 09/10 1:00-3:00pm SKU: 620639

Fee: \$18 Instructor: Fran Brown

You have taken the Embrilliance Essentials and Stitch Artist 1 software classes and know the basics of these programs. Now learn how to create design files for some popular embroidery design types. This class will focus on making an applique design, mug rug, a luggage tag, and more if time permits. We will also learn how to create SVG/cut files for applique fabric. Learn how to print your designs with the "snowman" for perfect placement on applicable Babylock and Brother machines. You will walk away with some completed designs to embroider when you get home!!!

SKU: 620617 Fee: \$29.99
Instructor: Nivia Rodriguez

If you recently purchased a Baby Lock serger machine or have one just occupying a space in your sewing room without being used, come to this class and learn all the basics on how to thread and set it for different stitches and materials. Nivia will share her knowledge and her tips and tricks to get you to know your machine well enough to begin serging without fear.

Serger Finishing Techniques**

Fri 08/07 1:00-4:00pm SKU: 620624
Fee: \$32.99 Instructor: Nivia Rodriguez

In this class, Nivia will show you a bunch of different ways you can "finish" your garments with a serger, including:

- Serged binding on necklines and sleeves.
- Lettuce edge on spandex fabrics.
- Creating elastic edges using a serger.
- Using the single downturn feller.

This class is open to customers who own a Babylock Triumph, Splendor, Accolade, Ovation, or Evolution serger.

Favorite T-Shirt**

Wed 08/12, 08/19 & 08/26
9:30am-noon
SKU: 620654 Fee: \$67.49
Instructor: Patty Mack

This 3-session class provides the opportunity to make a tee shirt that fits your body style. The pattern is designed to address the most common fitting issues such as high round back, forward shoulders, fuller hips and/or bust, and has three flattering neckline choices and hemline options. The pattern also has versions to make short sleeves, quarter-length sleeves, or full-length sleeves. You will receive fitting help as well as sewing/serger tips. After completing class, you will have a tee shirt that fits your body and a pattern that you can use time and time again. This adjusted-to-fit tee shirt pattern will truly become a TNT (Tried and True) pattern in your stash.

Scan N Cut

Intro to ScanNCut DX*

Wed 08/12 9:30am-12:30pm
SKU: 620667 Fee: \$30

Unlock the creative power of your ScanNCut DX! This introductory class will help you become familiar with operating your machine, understanding basic settings, and exploring the possibilities of what you can create. Learn about helpful tools, recommended accessories, and project ideas to get the most out of your machine and bring your craft projects to life. For a complete learning experience, we recommend registering for the Intro to CanvasWorkspace class the same day from 1-4 PM to learn the computer software used with the ScanNCut DX.

****Students who purchased their ScanNCut from The Sewing Studio will receive a \$30 gift card at the end of class.**

Intro to CanvasWorkspace*

Wed 08/12 1:00-4:00pm
SKU: 620668 Fee: \$27

Do you own a ScanNCut DX? This class is the perfect starting point for learning the software that brings your creativity to life. You'll explore Brother's free downloadable desktop version of Canvas Workspace and become familiar with its key features and design tools. Build confidence navigating the software, editing designs, and preparing projects for your machine. For the best learning experience, we recommend taking the Intro to ScanNCut DX class the same day from 9:30-12:30.

SNC Tropical HTV Shirt or Tote*

Tues 07/07 1:00-4:00pm
SKU: 620660 Fee: \$27

Use the activation card included in your Vinyl Auto Blade Kit to access the included designs. You will learn how to locate your design, size it for a T-shirt or tote bag, and send it to your ScanNCut. This design is set up differently than standard SVG files, and this class will help you understand how to properly set everything up. This design is perfect for cutting in Siser Glitter HTV to create a fun, summer sparkly finish.

SNC Minnie Mouse T - Shirt*

Tues 07/21 1:00-4:00pm
SKU: 620664 Fee: \$27

Use the Disney Vinyl Blade activation card to access the included designs. You will learn how to bring up the design and set up the multi-layer Minnie Mouse project on your ScanNCut DX. This design is set up differently from the Vinyl Blade class, and this class will help you understand how to properly set everything up. You will use Siser Heat Transfer Vinyl and learn how to layer and press the multiple pieces onto a T-shirt or tote, and you're all ready for a day at the park.

SNC Witch Hat Gift Box*

Wed 09/09 9:30am-4:00pm
SKU: 620671 Fee: \$58.49

Create a Witch Hat Gift Box out of paper using cut files, scoring techniques, and layered assembly methods. You'll learn how to cut and assemble the pieces accurately while adding decorative details for a fun Halloween-themed finish. This project can be used for treats, party favors, or seasonal décor.

SNC Image Tracing Workshop*

Tues 07/07 9:30am-12:30pm
SKU: 620659 Fee: \$27

Learn how to use image tracing to turn image files into usable designs for your cutting projects. This class explores both outline and color-based tracing options to create either single-layer or multi-layer designs. You'll also learn how to refine details, adjust results, and clean up designs using path editing tools to improve overall design accuracy for your projects.

SNC Curved Text Workshop*

Tues 07/21 9:30am-12:30pm
SKU: 620663 Fee: \$27

Learn how to use ScanNCut CanvasWorkspace tools in a hands-on workshop focused on learning how to use the "Fit to Path" and "Convert to Shapes" features. Explore how to place text on custom paths and adjust spacing, alignment, and positioning along straight lines, curves, and round paths. You'll also learn how to convert text using the Convert to Shapes feature for more flexibility when working with designs. This will help you take your text designs to the next level.

Sublimation

Sublimation for Beginners*

Wed 08/26 9:30am-12:30pm SKU: 620669
Fee: \$32.99 Instructor: Connie Hewett
Thinking about getting a Brother sublimation printer—or already have one? Join Connie for a fun and informative class where you'll explore everything you need to confidently dive into the world of sublimation! Discover the essential tools, types of blanks, and heat press options, plus the kinds of designs that work best. You'll even get hands-on practice with your very own fabric kit and prints provided in class. As a companion to this class we recommend taking Design & Setup for Sublimation—it introduces the software used in all of our sublimation classes and is scheduled 1-4 after this class.

Design & Setup for Sublimation*

Wed 08/26 1:00-4:00pm SKU: 620670
Fee: \$27 Instructor: Connie Hewett
This introductory class is designed to help you confidently set up sublimation designs using Silhouette Studio. You will learn how to navigate the software and properly prepare your files for printing. We will discuss where to find graphics and what types of designs work best for sublimation. Whether you're brand new or just need a refresher, this class will help you feel more comfortable designing and setting up your projects correctly from the start. A great companion to this class is Intro to Sublimation for Beginners—it is scheduled 9:30am-12:30pm the same day as this class.

Sublimate 2-Style Coasters*

Wed 07/08 9:30am-12:30pm SKU: 620661
Fee: \$27 Instructor: Connie Hewett
Create two different styles of custom coasters in one fun class. You will set up designs and make a set of 2 neoprene car coasters and a set of 2 hardboard coasters perfect for your living space at home. Learn how to size and position your designs for each coaster style while creating vibrant, personalized pieces that are both practical and decorative.

Sublimate Sock Design*

Wed 07/22 1:00-4:00pm SKU: 620666 **NEW**
Fee: \$27 Instructor: Connie Hewett
Create custom socks in your choice of footie, ankle, or tube styles. Learn how to set up socks for full printing on both sides, ensuring proper placement for vibrant, even coverage. Add a design, full pattern, funny saying, or photo to make them truly your own. Personalize your socks into a unique gift for someone special or something just for yourself.

Custom Wood Sign Sublimation*

Thurs 09/24 9:30am-4:00pm SKU: 620674
Fee: \$58.49 Instructor: Connie Hewett
Yes, you can sublimate on wood! In this class, you'll learn how to decorate wooden shapes to create a fun, personalized sign. You will also learn how to properly prepare wood surfaces to achieve vibrant, full-color transfers while creating custom templates for accurate placement using unique shapes such as dog bones, cat heads, stars, ovals, and more. Transform plain wood into personalized keepsakes, home décor, or unique gifts.

Sublimate a Custom Pet Tag*

Wed 07/08 1:00-4:00pm SKU: 620662
Fee: \$27 Instructor: Connie Hewett
Combine a few small projects into one creative class. You will learn how to design and create pet identification tags, key tags, and dog tag necklaces that can also be used as keychains or medical alert tags. You will also learn how to add text to include pet identity information or your medical information. Whether you want pet tags, key tags, or a dog tag necklace for you, it also makes a great gift.

You don't need to own a sublimation printer to take the sublimation classes.

Sublimate Stained Glass Cutting Board*

Wed 07/22 9:30am-12:30pm SKU: 620665
Fee: \$27 Instructor: Connie Hewett
Design a stunning stained glass-inspired glass cutting board using sublimation techniques. In this class, you'll learn which supplies are needed to sublimate onto glass, how to select stained glass-style artwork that creates vibrant results, and how to properly prepare your design for a successful transfer. The finished project can be used as a cutting board, showcased as decorative kitchen décor or given as a thoughtful, personalized gift.

Sublimate Sandstone Coasters*

Thurs 09/17 9:30am-12:30pm SKU: 620672
Fee: \$27 Instructor: Connie Hewett
Create coasters made of sandstone for both your car and home décor. You will be making 2 sets for your car and 2 sets for inside your home. Learn how to set up, size, and position your designs for each style while creating colorful, personalized pieces that add a custom touch to any space. Sandstone naturally absorbs moisture, making these coasters both functional and decorative for everyday use.

Creative Edge Effects in Sublimation*

Thurs 09/17 1:00-4:00pm SKU: 620673
Fee: \$27 Instructor: Connie Hewett
Take a standard square or rectangle design and transform the edges with more creative, artistic finishes. You'll learn how to create choppy, distressed, paint brush, and splattered edge effects instead of using clean straight borders. Print and press your final sublimation design onto a T-shirt or fabric of your choice to take the design from digital file to "I made that" in less than 3 hours!
