

Tender for supply of Milk coolers for the YIDaMS Project.
Procurement number REU 02/03/2025
Closing Date: 27th March 2025

ABOUT RIPPLE EFFECT UGANDA

Ripple Effect Uganda is a growing and dynamic international development charity creating a wave of change in rural Africa. We are at an exciting stage in our history, as we recently re-branded from Send a Cow with an ambitious new 2030 strategy to multiply our impact.

In partnership with **Mastercard Foundation**, Ripple Effect Uganda is implementing a five-year (2022 - 2027) **Youth Inclusive Dairy Market Systems (YIDaMS)** project whose aim is to enable 63,400 young women and men to access dignified and fulfilling work in the dairy sector. We are currently procuring capital items for the project.

Ripple Effect Uganda invites prospective vendors to submit bids for **Supply of Milk Coolers for the YIDaMS project** as per the specifications below to be delivered to our milk collection centres.

DESCRIPTION OF ITEM

No	Item Description	Unit Type	Quantity
Lot 1	Milk coolers	1,000	5

Detailed Specification

TECHNICAL SPECIFICATIONS COOLING TANK 1000L

Capacity: 1000L

Type: Vertical cylindrical

Diameter: 179cm

Length: 300cm

Height: 145cm

Weight: 400 kg

Cleaning system: Manual

Cooling tanks can be connected to solar energy.

Part

Dimension

Platform plate-700x1300x1,5mm AISI 430

Condenser- 50 m²

Drayer- 1/2' 304S

Expansion Valve-TS2 068Z3414

Orifice-NO:6

Service Pressure Relief Valve-1/4'

Copper Fitting-1/2' – 3/8' – 5/8' – 7/8'

Bottom Panel Thermoplastics- 210x280x130mm

Contacto-3RT-2017-1AP02 5,5 KW

Automat-C3x25A

Digital Thermostat-MTV01

Fitting-PG16

Three Phase Male Plug-380 V 5X16A

Cable TTR-3x2,5 mm

Cable Control-4x0,75mm

Temperature Probe-10K NTC

Cooler Gas-R404-A

Electric Terminal

Electric Terminal Stopper

Cartilage-12 mm Spiral

Liquid Receiver

VLR.A.33b.06.B2.C2

Suction Line Accumulator-TC-206

Low Pressure Switch-0,7-1,7 BAR

High Pressure Switch

21-28 BAR
Chassis
40x80x1,5 mm Profile AISI 304
Butterfly Valve-DN50
Steel Spring-4x30x110mm AISI 304
Mixer Motor-40W – 30 r/m – 220V
Profile Adjustable Feet- Ø45xM12x45 mm

LOCATION OF THE MILK COLLECTION CENTRES (MCC)

The cools will be delivered to the centres below

S/no	District	Sub county	Name of MCP/MSP
1	Isingiro	Kabuyanda	Kinyangye milk collection point
2	Mbarara	Rwanyamahembe TC	Rwanyamahembe Milk Collection Centre
3	Isingiro	Isingiro Tc	Ruhimbo Dairy Youth Group
4	Ntungamo	Kafunjo Tc	Kafunjo youth Dairy cooperative
5	Bushenyi	Nyakabirizi	Nyakabirizi United Dairies

PROPOSED TIMELINES

Deadline for submission	27 th March 2025
Proposed tender opening dates	28 th March 2025
