## Back To School Contest

### Pelikan's It's the Beginning That Matters "Design Your Mask" contest!

Pelikan's It's the Beginning That Matters "Design Your Mask" contest is part of its Back to School Campaign for 2020/2021, giving children the chance to showcase their artistic talents and get rewarded for their creativity! Contest starts on 1st November 2020.

#### Design your Mask!

Every year, Pelikan Malaysia organises a colouring contest for school going children who love art and colouring. We believe in encouraging children's creativity through art which allows children to express themselves uniquely while fostering their passions, emotions and curiosity. We invite children from around the country to share their creative talents and we hope that children will continue to create wonderful art always.

For this year, Pelikan Malaysia is encouraging children to imagine their own mask design using Pelikan's colouring materials. Globally, every nation is affected by the coronavirus, known as Covid-19, pandemic and we are advised to wear a mask to protect ourselves as well as the people around us. As mask wearing is becoming a part of our daily routine, we are inspired by all the different mask designs out in the market. We would love to see the level of creativity children will put into designing their own mask! Cheers to the next generation of talented designers!
