

PROGRAM OUTLINE

MONDAY 20 MAY 2013

Mining for
Development
Conference 2013
Sydney, Australia

07.30 - 08.30 **REGISTRATION**

08.30 - 10.30 **Conference welcome**

Conference welcome
Indigenous welcome to country
Conference vision and objectives

OPENING KEYNOTE

Opening address

The Hon Dr Andrew Leigh MP
Parliamentary Secretary to the Prime Minister

KEYNOTE ONE

Mining for Development: a priority for Australian Aid

The Australian Government has made a major financial and institutional commitment to support mining for development. What is the rationale for this? What are Australia's strategies?

Mr Peter Baxter
Director General, Australian Agency for International Development (AusAID)

KEYNOTE TWO

Mining for Development: an international perspective

Donors are increasingly engaging in the extractives sector, recognising its importance for sustainable development. How does mining link to development? What are the challenges and opportunities for donors?

Mr Mark Lowcock
Permanent Secretary, Department for International Development, United Kingdom

KEYNOTE THREE

Responding to fast changing community aspirations

The mining industry must meet national and community expectations and aspirations if it is to maintain its licence to operate. What are the main challenges and what must be done to meet them?

Ms Ume Wainetti
Program Coordinator, Family and Sexual Violence Action Committee, PNG

KEYNOTE FOUR

Success factors for inclusive development from mining

Mining should lead to improved economic and social outcomes in nations and regions that are resource rich, but the record of achieving sustainable benefits is inconsistent. What is the potential of mining for development? What are the factors needed to achieve success?

Professor Paul Collier CBE
Professor of Economics and Public Policy, Blavatnik School of Government,
Professorial Fellow of St Antony's College, University of Oxford

10.30 - 11.00 **MORNING TEA**

11.00 - 12.30

PLENARY TWO

Realising the opportunities and meeting the challenges

The potential benefits of mining, such as employment, community and local level development and increased revenues are high, but there are many challenges to be addressed. What is needed to improve engagement and capacity to achieve inclusive and sustainable outcomes?

Professor Chis Moran
Director, Sustainable Minerals Institute, The University of Queensland

HE Mr Wahidullah Shahrani,
Minister for Mines, Islamic Republic of Afghanistan

Hon Irene Muloni,
Minister of Energy and Mineral Development, Uganda

Dr Graeme Hancock
President and Chief Representative, Anglo American Development LLC, Mongolia

Mr Daniel Kaufmann
President, Revenue Watch Institute

12.30 - 14.00	LUNCH AND KEYNOTE Mining and equitable development	<p>Many developing countries are richly endowed with mineral and energy resources. How are those resources being used to leverage equitable and sustainable development?</p> <p>HE Dr Esperança Bias Minister of Mineral Resources, Republic of Mozambique</p>
14.00 - 15.00	PLENARY THREE Addressing gender issues in mining for development	<p>Mining can have different impacts on men and women. How should women be engaged in all aspects of mining for development in order to ensure that the benefits and impacts are managed well?</p> <p>Mr Ewen McDonald Deputy Director General, Humanitarian and International Group, AusAID</p> <p>Ms Katherine Heller Social Development Specialist, Oil, Gas and Mining, The World Bank</p> <p>Dr Helen Szoke Chief Executive, Oxfam Australia</p> <p>Ms Ume Wainetti National Program Coordinator, Family and Sexual Violence Action Committee, PNG</p> <p>Mrs Doris Eaton Co-Chairperson, Yamatji Marlpa Aboriginal Corporation</p>
15.00 - 15.30	AFTERNOON TEA	
15.30 - 16.30	PLENARY FOUR Developing human capacity and leadership for change	<p>What are the approaches to developing the human capacity and leadership necessary to achieve innovative and sustainable mining for development practices?</p> <p>Professor Mark Griffin Winthrop Professor and Future Fellow, School of Psychology, The University of Western Australia</p> <p>Mr Antonio MA Pedro Director, United Nations Economic Commission for Africa Sub-Regional Office for Eastern Africa</p> <p>Mr Peter Aitsi Director, Transparency International PNG and Country Manager, Newcrest Mining</p> <p>Dr Ernesto Sirolli Founder, The Sirolli Institute</p> <p>Mr Peter Meurs Director of Developments, Fortescue Metals Group Ltd</p>
16.30 - 17.00	PLENARY FIVE Summary and wrap up of day one	<p>Summary of key messages and facilitated discussion</p> <p>Ian Satchwell Director, International Mining for Development Centre</p>
19.00	CONFERENCE DINNER AND KEYNOTE ADDRESS Inspiring change	<p>Professor Michael L Ross, Professor of Political Science and Director, Centre for Southeast Asian Studies, The University of California, Los Angeles (UCLA)</p> <p>Dinner venue: Doltone House, Darling Island Wharf, Sydney</p>

PROGRAM OUTLINE

TUESDAY 21 MAY 2013

Mining for
Development
Conference 2013
Sydney, Australia

09.00 - 10.30

PLENARY SIX

Building good governance for mining for development

In order to achieve inclusive and sustainable development of resource-rich economies, high standards of governance are needed at national, subnational, community and industry levels. What are the necessary components of good governance?

Professor Paul Flatau

Director and Chair, Social Investment and Impact, Centre for Social Impact, Business School, The University of Western Australia

HE Mrs Sinkinesh Ejigu

Minister of Mines and Chair, Bureau of African Union Mining Ministers, Ethiopia

HE Ms Gudrun Kopp

Parliamentary State Secretary, Federal Ministry for Economic Cooperation and Development, Germany

Mr Erik Solheim

Chair, OECD Development Assistance Committee

10.30 - 11.00

MORNING TEA

11.00 - 12.30

CONCURRENT 1A

Strengthening subnational governance

Exploring the policy settings, practices, engagement mechanisms and capacity needed to underpin an effective approach to subnational development arising from mining.

Professor David Breerton

Deputy Director - Research Integration, Sustainable Minerals Institute, The University of Queensland

Professor Carlos Casas Tragodara

Chair, Economics Department, Universidad del Pacifico

Mr Carlos Monge

Latin America Regional Coordinator, Revenue Watch

Mr Javier Aguilar

Deputy Program Manager, Extractive Industries Transparency Initiative Multi-Donor Trust Fund, World Bank

CONCURRENT 1B

Frameworks for negotiation and agreement making

Effective frameworks are needed to facilitate negotiation and agreement between communities, companies and governments that deliver broad-based and sustainable development outcomes. What are the leading practices in achieving effective agreement making? How do we build capacity in this area, and how can we ensure that agreement making practices are collaborative and achieve collective impact?

Associate Professor Jill Howieson

Law School, The University of Western Australia

Professor Fabien Nkot

Senior Advisor, Office of the Prime Minister, Republic of Cameroon

Mr Bruce Harvey

Global Practice Leader - Communities and Social Performance, Rio Tinto

Ms Rhonda Jacobsen

Senior Legal Officer, North Queensland Land Council Native Title Representative Body and Acting Commissioner of the Land and Environment Court

Ms Jacky Mandelbaum

Lead Law and Policy Researcher, Vale Columbia Center on Sustainable International Investment

Dr Paulo de Sa

Manager, Sustainable Energy Department, Oil, Gas and Mining Unit, World Bank

12.30 - 14.00

LUNCH AND DONOR PANEL

Achieving inclusive development through collective impact

Mr Rowan Callick

Asia Pacific Editor, The Australian

Mr James Gilling

First Assistant Director General, AusAID

Mr S Vijay Iyer

Director, Sustainable Energy Department, World Bank

Dr Paul R Samson

Director General, Multilateral Development Institutions Directorate, Canadian International Development Agency

Mr Petter Nore

Director and Head of Department, Norwegian Agency for Development Cooperation

14.00 - 15.30

CONCURRENT 2A

Preventing conflict through positive stakeholder relationships

Preventing conflict and ensuring that all stakeholders communicate to agree on positive outcomes is key to ensuring broad-based development benefits. What are the key strategies for working with other stakeholders towards effective conflict prevention?

Professor Saleem Ali

Director, Centre for Social Responsibility in Mining, The University of Queensland

Dame Meg Taylor DBE

Vice President and CAO, Compliance Advisor Ombudsman, World Bank Group

Mr Aidan Davy

Deputy President and Senior Program Director, International Council on Mining and Metals

Ms Doris Puiahi

Program Manager, Inclusive Natural Resource Management (INRM) Project, Live and Learn Environmental Education, Solomon Islands

Mr Alex Benkenstein

Senior Researcher - Governance of Africa's Resources Programme, South African Institute of International Affairs

CONCURRENT 2B

Building sustainable local enterprise and employment

What are the effective policies and practices that facilitate sustainable local, regional and national level enterprise and employment for the benefit of communities, businesses and the wider economy?

Ms Melanie Stutsel

Director - Health, Safety, Environment and Community Policy, Minerals Council of Australia

Mr Jonathan Samuel

Head of Social Performance, Anglo American

Mr Scott Gilmore

Founder and President, Anchor Chain

Mr Fabrice Ilunga Mujinga

Master Enterprise Facilitator, Kamina Friends Inc

Dr Hudson Mtegha

School of Engineering, University of Witwatersrand

15.30 - 16.00

AFTERNOON TEA

16.00 - 17.00

PLENARY SEVEN

Maximising the benefits: the way forward

Panel summaries and facilitated discussion.

Dr Megan Clark

Chief Executive, CSIRO

The Rt Hon Clare Short

Chair, Extractive Industries Transparency Initiative International Board

Enkhchimeg Tsevegjav

Program Coordinator, Centre for Executive Education, American University of Mongolia

Vincent Kawamya

Coordinator UNU/ INRA Mineral Resources Unit, University of Zambia

Isshaq Mahdyar

Mining Engineer, Ministry of Mines, Afghanistan
