Go to tab “Digital Services”
Click “Claim SkillsFuture Credits”

The screenshot shows the MySkillsFuture website interface. The top navigation bar is blue and contains the logo 'MySkillsFuture' on the left, and navigation tabs for 'Courses', 'Assessments', 'Digital Services', and 'Resources' in the center. On the right side of the navigation bar, there are icons for a search function, a notification bell, a user profile, and a credit balance of '\$500.00 Credits'. The 'Digital Services' dropdown menu is open, displaying a list of options under the heading 'Individuals'. The option 'Claim SkillsFuture Credits' is highlighted with a red rectangular border. Below it are three other options: 'Apply for SkillsFuture Fellowships', 'Apply for SkillsFuture Qualification Award', and 'Apply for SkillsFuture Study Award'. At the bottom of the dropdown menu are two blue circular arrows, one pointing up and one pointing down. A white callout box with a red arrow points to the 'Claim SkillsFuture Credits' option, containing the text 'Click on “Claim SkillsFuture Credits”'. The background of the page is dark blue and features a large graphic for 'skills future month' with the text 'AN UPCOMING INTERACTIVE LEARNING SERIES' and the dates '17 Jul-16 Aug 2020'. There are also some course listings visible on the right side of the page, such as 'Managing Cyber Security Risks,...' and 'Practical Audit Workshop Audit...'. The overall layout is clean and professional, with a focus on user navigation and information delivery.
